DESCRIPTION

Education-related allowances: education allowances refer to grants, scholarships and other education help received by students during the income reference period, which are intended to relieve them from the financial burden of a number of risks or needs, made through collectively-organised schemes, or outside such schemes by government units and non-profit institutions serving households (NPISHs) (*See the box in section 5 of PART I for more detailed information*).

Suggested question:

'During last year (income reference period, during 2022,...), did you receive any education-related allowances such as a scholarship or a grant?'

If the answer is 'Yes' then the amount in national currency during income reference period should be
