In use (period): Yes, since first year of EU-SILC data collection

Series' differences: No changes

VALUES AND FORMAT

1	Yes
2	No

FLAGS

1	Filled
-1	Missing

DESCRIPTION

This question is about affordability (ability to pay) to keep the home adequately warm, regardless of whether the household actually needs to keep it adequately warm.

Suggested question is:

Can your household afford to keep its home adequately warm?
