				8	Unknown
		9	Not applicable (the value was not collected)		
			Alternative: One digit	-1	Missing
	_IF	Imputation factor = collected value / recorded value *100	- 999999.99-999999.99		Collected value / Recorded value *100
			.	If problem of dividing by 0 appears, if ‘_F’ = -1	

DESCRIPTION

Employers' social insurance contributions (PY030G) part of employee income, they are defined as payments made, during the income reference period, by employers for the benefits of their employees to insurers (social security funds and private funded schemes) covering statutory, conventional or contractual contributions in respect of insurance against social risks. They cover traditionally legal old age pension schemes, legal health insurance, and unemployment. These contributions are common to most employed
