DESCRIPTION

Regularly:

The term 'regularly' is linked to the repeated activity (ies) and is to be self-defined by the respondent. However, a 'yes' answer should imply that leisure activities (all together) are done several times per year.

Leisure activity:

Activities such as sport, cinema, concert, etc. should occur outside the home. These activities would incur costs for entrance and/or travel costs (e.g., swimming), for purchase costs (e.g., riding a bicycle) or for participating in organised events (e.g. football club fees).

The formal organisation of activities is not an important element.

Suggested question:

Do you regularly participate in a leisure activity (that costs money) outside home?
