| | | | | 9 | Not applicable (the value was not collected) |
| | | Alternative: One digit | | -4 | Amount included in another income component |
| | _IF | Imputation factor = collected value / recorded value *100 | | -999999.99- 999999.99 | Collected value / Recorded value *100 |
| | | | | . | If problem of dividing by 0 appears, if '_F' =-4 |

## DESCRIPTION

**Gross non-cash employee income (PY020G):** This variable refers to the non-monetary income components which may be provided free or at a reduced price to an employee as part of the employment package by an employer (if any goods or services are provided for both private and work use, then private use, as a proportion of total use, must be estimated and applied to the total value).
